Walk directly out of the station (past Marks & Spencer), go straight over the pelican crossing and take the flight of stairs down onto the street. When at street level, turn right and cross the main road (Neville Street) heading towards the second set of arches. Follow the road under the arches (Swinegate). At the end of the arches there is a multi-storey car park and Bibi's Restaurant (on your right). Continue along this road, cross Sovereign Street and take the next right into Concordia Street.
